

Class to Level Sheet for Contemporary Showcase Toronto

What is a performance “Level” ?

Contemporary Showcase has allocated a performance Level to each Class in the ACNMP syllabus. This allows (hopefully) a consistent grouping of classes for the allocation of adjudication fees and awards.

A first step is to find the syllabus class from the ACNMP syllabus for the piece to be played, or to request assistance in this regard if you have found a piece by a Canadian composer, but that piece is not (yet) in the syllabus.

For mature performers, age 25 or more: determine an appropriate class number for the piece you wish to perform, appending the letter M to the class number at registration. You will likely be asked to perform in a class with other mature performers at a variety of levels.

Given a Class, look up the appropriate Level in the table below. Level determines the fee.
